City Clerk Administrator Monahan-Junek sent an email to Dr. Draper asking him to contact Public Works Director Mike Wiskow regarding the parking lot at the clinic. Dr. Draper has not responded to date.

2. Discuss trees in the northeast corner of Grant Avenue and Pierce Street

The Council referred to a memo from Public Works Director Mike Wiskow. Wells Fargo Bank will be installing a new sign. The bank has requested removal of a tree which would block the new sign. The tree is a Bergeson Ash which was planted in 1990 as part of the downtown reconstruction project. The Council was in favor of Wiskow's option #3 which would eliminate both trees that are currently an obstacle for placing and removing the band stand.
