

MINUTES
Eveleth City Council Workshop
May 15, 2012
Council Chambers, City Hall, Eveleth, MN
6:30 p.m.

Council Present: Mayor Vlasisavljevich, Councilor Peterson, Councilor Hoag, Councilor Koivunen, Councilor Hadrava

1. Minnesota Department of Health Bacteriological Monitoring Requirements

The City received a notice for failure to submit samples to the Minnesota Department of Health. Director Wiskow said that Bill McKenzie, City employee for 30 years, has never missed a sample. Wiskow speculated there must have been a mix up when the sample was dropped off.

The City is required to send out a notice to Eveleth residents. Director Wiskow will offer an explanation to the public clarifying the City does not have a problem with the water.

2. Discuss Shelter/Gazebo at Eveleth Public Library

MaryBeth Kafut, Eveleth Library Director, addressed the Council with a request for a gazebo at the Eveleth Public Library. Director Wiskow will report back to the Council with cost estimates. Councilor Peterson said that discretionary money was budgeted at around \$12,000 for the project.

3. Agenda Q&A
