

# SAFE Program

## Senior Assistance Freedom Enrichment

### *Independent Living with a Helping Hand*

The Eveleth Police Department recognizes that members of the community may need to connect with someone on a daily basis to confirm they are well and SAFE. The program gives those who register an opportunity to call the EPD daily and briefly check in.

Citizens who want to voluntarily register for the SAFE Program, must complete a registration form. A copy of this form is maintained in the Department's records. The participant displays the original in a prominent area of their home.

Eligibility to participate in the SAFE Program:

1. Resident of the City of Eveleth
2. Complete a SAFE Registration form
3. Citizens identified with special needs are those who are above the age of 60 years old, suffering with physical and mental infirmities and also those over the age of 18 years old who are physically and mentally handicapped.

- *Call 218-744-7560 between the hours of 8 A.M. and 11 A.M.*
- *If we don't receive a call, we call you.*
- *If you do not answer our call, we will send an officer to check on your welfare.*
- *"Dedicated to the search for truth, the protection of the public and service to the community."*
